

Subject: TAKE ACTION Curriculum piloting

Title: Let's take action at school

Text:

In the next weeks, the Curriculum we developed and that can be found here <https://www.takeaction-europa.eu/resources/> will be tested within the classes identified by our 3 educational institutions

- PLATON M.E.P.E. (Greece)
- OPEN EUROPE (Spain)
- BAHCELIEVLER ANADOLU LİSESI (Turkey)

Classes will analyse the Curriculum and with the support of teachers will acquire useful civic skills to be spent within their social fabric. At the end of pathway, classes will be asked to prepare a brief action plan, identifying a main problem, a brief analysis and possible solutions.
